# Odor Ban

Concentrated

ADVANCED  
CHEMICAL  
TECHNOLOGIES, Inc.

*"Protecting the World's Infrastructure"*

## DESCRIPTION

CleanACT™ Odor Ban is a scientifically formulated system that positively eliminates hard-to-control foul and obnoxious odors. Odor Ban is not a cover-up, it encapsulates and stops odors once and for all! It is able to eliminate aromas caused by mold, mildew, sewage and industrial/commercial processes. CleanACT™ Odor Ban can be misted, sprayed or added to other cleaners. It is pH Neutral and contains no hazardous components. Safe, easy to use, environmentally friendly and one of the most effective odor removers available. Breathe easy with CleanACT™ Odor Ban.

## TECHNICAL DATA

Note: Consult Safety Data Sheet before using

pH	Neutral
Specific Gravity	1.00
Color	Clear to Amber
Odor	Citrus
Boiling Point	212°F
Freezing/Melting Point	< 32°F
